Property Description

This is one of only a couple of rental houses in the growing beach community of Ostional. Ostional beach is a national refuge and home to the thousands of Olive Ridley Turtles that will come ashore to bury their eggs during full moon periods at certain times of the year. Located in the beautiful gated community, Perla de Ostional, this luxury home has all the amenities you could want with amazing ocean and valley views. This home comes complete with a large sun deck, and a pool. Situated on the top of a hill, the ocean views from the living room, kitchen, and bedrooms are breathtaking, especially at sunset. The main house has 2 master bedrooms with an ensuite bathroom and walking dressing. Please note: the smaller bedroom in the main house now has a trundle bed instead of the bunk bed as shown in the picture. The fourth bedroom with a bathroom and walking dressing is in a separate building next to the pool.
