Property Description

This attractive lot is located on a quiet public road just minutes from the peaceful shores of Playa Bejuco. A building platform is already in place, making it easier to begin planning your future home or getaway in this tranquil coastal setting. The property previously enjoyed an ocean view, and with some selective clearing of bushes it may be possible to restore that beautiful perspective. Surrounded by nature, the lot offers privacy and calm while still being conveniently close to the small local community of Pilas de Bejuco. The nearby beach is known for its natural beauty, serenity, and uncrowded atmosphere — perfect for relaxing walks, sunsets, and enjoying Costa Rica's coastal lifestyle. Despite its peaceful setting, the vibrant beach town of Sámara is only about 30 minutes away, offering restaurants, shops, services, and activities. Opportunities like this are becoming increasingly rare in the area.
