Property Description

Ficus Garden House is a recently remodeled 2-bedroom, 2-bathroom home set on a spacious 1,508 m² lot in the central area of Delicias. Both Tierra y Fuego and Puggo's Restaurant, two of the most popular restaurants in the area, are less than a 2-minute walk away, while Montezuma, Cobano, and Santa Teresa are all within easy reach. Despite its convenient location, the property offers a high level of privacy, accessed through its own entrance from the main road and set quietly at the back of the lot, surrounded by garden space and anchored by a large ficus tree. The home offers a functional and comfortable layout. The main entrance opens into a kitchen and dining area, which connects to a slightly elevated TV/lounge space. On the ground floor, there is one bedroom and a full bathroom with a stacked washer and dryer. Polished concrete floors in warm ochre tones give the space a clean and cohesive feel.
