Property Description

Discover one of the most compelling mixed-use development opportunities in Playa Avellanas, Costa Rica. This exceptional 3.2-hectare (7.7-acre) property is ideally positioned just a 15-minute walk to Playa Avellanas, one of Guanacaste's most sought-after surf and luxury beach destinations. Offering an ideal combination of size, location, and development potential, this investment property is perfectly suited for developers, private equity groups, family offices, or investors seeking to capitalize on the continued growth of Costa Rica's luxury real estate market. What truly sets this property apart is its development readiness. The sale includes preliminary architectural concepts, renderings, elevations, and a highly valuable water availability letter for 30 water connections, significantly reducing development risk while accelerating project timelines. Opportunities with this level of preparation, privacy, and proximity to both the beach and Avellanas' vibrant town center are becoming increasingly rare.
