Property Description

Rolling hills, ocean views, fresh sweet water from natural springs, off-grid with 20 acres of pristine land. Tucked away in the hills above Pavones and out of the hustle and bustle of town life. Cattle land from long ago, Vista Dulce has been kept clear for easy lots to be created yet surrounded by jungle and old growth trees. This property drains nicely with a gentle slope and four coverts have been installed. This property can be subdivided into smaller lots or kept as one large, ranch estate. The majestic rolling hills are outlined by jungle with views of Golfo Dulce, Playa Zancudo, and Golfito. The quiet neighborhood of Cuervito is home to several permaculture farms and cattle ranches. Where country living and surf culture come together. There are two neighboring "fincas" available. This is 20 acres and the other is 35 acres. They are divided by a creek and tree line. Both the 20 acre and the 35 acre have amazing views of Golfo Dulce 'the sweet gulf', mountains, rain forest, jungle.
