Property Description

A modern and ecological property located inside La Ecovilla, a world class permaculture development; this sanctuary is nestled in the tropical rain forests of central Costa Rica. The breathtaking, access to the pristine waters of the river are a divine space to disconnect from modern urban life and connect with nature to nurture the body, mind and spirit. Built in the incredible ecologically-planned community La Ecovilla in San Mateo, Costa Rica (Featured in the new Netflix documentary series "Down to Earth" ... is an enchanting refuge for individuals seeking to interface with the majestic energy of the natural world". La Ecovilla (laecovilla.com) village amenities includes: community center with yoga deck, lap pool, organic garden (weekly basket of veggies delivered to each lot) and spectacular hiking and mountain biking trails in all directions. Casa 30 is a luxury, boutique, custom built 3 bedroom, 3 bathroom home with chef's custom kitchen that includes breathtaking exterior garden views from everywhere in the home.
