Property Description

Serene ocean views, 3-Level, newly renovated estate property, short stroll to the beach with boundless amenities. Located in the most desirable and quiet (K-Section) area of town, this home sits high up on a hill, feels very private, and offers the rare Nosara trifecta: ocean view and breeze, a short walk to the beach, and a big private piece of land (over one acre). House was rebuilt in 2022 with a bespoke, tropical-modern design with artisanal Costa Rican details. The land has over 500 meters of walking trails right on the property. Pick and enjoy fresh seasonal mangos, lemons, bananas, grapefruit, and starfruit. When you arrive at Wasi Munay (which means Home of Universal Love to all living things in Quechua) you will enter through custom, double teak doors allowing for great breezes. Inside is the open-plan Great Room for cooking and indoor living, with a special teak-beam, 22-foot ceiling with beautiful geometry.
