Property Description

Three bedroom house bordered by a biological corridor. Located in the heart of Uvita, is ideal for live or vacation with family and friends. Location ... close to everywhere, banks, supermarkets, schools, bus station, restaurants, waterfall, beaches ... On the first floor, you will find a large living room, kitchen, dining room, garage for 2 trucks or 4 cars, laundry room. The main bedroom, situated for privacy, has a separate dressing area with a walk-in closet and A/C. Under the stands, there is an additional bathroom with a small cellar. On the second floor, there is a loft overlooking the biological corridor, plus 2 bedrooms and a bathroom. The garden connects directly with the biological corridor through which runs a small river, also has an area under the roof that can be removed to build a pool. The large terrace is prepared with all the pipes to install an external kitchen.
