Property Description

Quality, design and comfort are what you can expect from this builder and design team. Impeccable and meticulously crafted, this four bedroom residence offers modern luxury at its finest. The exquisite interior and exterior architectural details include, high ceilings with recessed lighting, walls of glass, and accent walls of stone beautifully blended with exotic hardwoods. In the open-plan gourmet kitchen, you'll find bespoke wood cabinetry, new appliances, porcelain countertops and large island to gather around. The large area includes interior dining and living areas so everyone feels they are a part of festivities, with large panels of glass that retract to seamlessly allow the spaces to flow with the outdoors. The infinity pool includes additional dining and lounge areas with views of the forest and the peek-a-boo ocean view. With this home you will appreciate the thought that was put into integrating the home with the jungle, and the privacy the living and entertaining areas have.
