Property Description

his fabulous house for sale with 2 bedrooms, 2.5 bathrooms, terrace and Jacuzzi in Guanacaste Costa Rica, is designed so that you can enjoy its incredible view since its strategic location in the upper part allows you to contemplate its natural environment of the entire mountain range. and its jungle hills. This beautiful and comfortable house has a built area of 220 m2 and consists of 2 lots, one of 981 m2 and the other of 761 ms, which are sold together and can be developed independently or together. The house is located just 10 minutes from Playa Blanca and is an excellent business opportunity since you can have multiple units or a small hotel or if you want to live with your family, you can merge both lots and expand the current house. In addition to its excellent location, it is located within a magnificent development in which it has a clubhouse and swimming pool.
