Property Description

This 20-hectare (49 acres) property is located in Tinamastes at the main road between Dominical and San Isidro and comes with LEGAL Asada water. The 20 hectares are separated in around 2 hectares of “botanical garden” with a traditional wooden house (ocean view), a wooden cabin with an ocean view, a small pool and around 18 hectares of rain forest. A paradise for plants, animals and people’s soul. The house (with ocean view) is right beside the road with water from the village, electricity, landline phone and internet. There is also a separate water- tank installed to secure the water supply. The cabin is about 150m away from the road with a beautiful ocean view and view to the mountains, also with water, electricity and internet. The 18 hectares of rain forest a going down 300 height-meter. There is another road leading to rain forest area, or you can walk down within the property.
