Property Description

This stunning property is located in the picturesque town of Chimirol, Costa Rica. It features a large flat land parcel with a gated entrance and breathtaking views of the surrounding natural beauty. With an expansive flat area, this property offers the perfect canvas for a multitude of uses, including agricultural purposes, building a dream home, or developing a vacation rental property. The possibilities are endless on this incredible piece of land. One of the standout features of this property is its proximity to the river, providing stunning views and the opportunity for swimming, fishing, and other water activities. The property also features several natural swimming holes, adding to the charm and allure of this idyllic spot. Whether you are an investor, developer, or looking for a peaceful retreat, this property will surely impress. With its large flat area, gated entrance, and prime location along the river, this is a rare opportunity to own a truly special piece of real estate in the heart of Costa Rica.
