Property Description

Montezuma's Premier Hotel Location For Sale • The best location for a major hotel development in Montezuma. This quality property is just a few minutes to the famous beaches, waterfalls and town of Montezuma. This large lot has the size and features necessary for a quality, upscale hotel or residential development. • Montezuma is on almost every tourist's list as a "must see" while in Costa Rica. Located on the tranquil and mostly undeveloped Nicoya Peninsula, Montezuma is a charming beachfront village mixing upper end luxury with a laid back Bohemian lifestyle. The beauty of its beaches is well known and the popular waterfall is right of a "Tarzan and Jane" movie, with cascading waters into a large pool. • There are two beaches, one for the boats that take dozens of person per day to the offshore islands and nearby nature parks, as well as fishing and snorkeling tours. The other beach, Long Beach, is an uncrowded white sand coastline lost in time.
