Property Description

The Tennis and Surf Club - Where the Jungle Meets The Pacific Jade Nosara is an inspiring retreat nestled where the jungle meets the Pacific Ocean at Playa Guiones, a place for exploration of what is natural within ourselves, and the transcendent natural beauty of the flora, fauna, and wildlife that surrounds us there. This award-winning property was created by architect Donald Loria Prendas. The main house is a great space for cooking a meal or having a private chef prepare a meal for your group. The terrace ends where the pool begins. Our guests spend time together in this peaceful space. Come enjoy mindful ping pong or Bocce Ball. The five free-standing master suites are arranged around the covered yoga pavilion and salt water luxury swimming pool which also serves as a soothing water feature. Jade sleeps 18 and is intended for families and groups desiring a private, yet unobstructed atmosphere.
