You will delight to the antics of tropical birds, monkeys, sloths, iguanas and more frolicking or flitting across your private hideaway. The home features two separate living areas, making it convenient should you desire a separate space for family and guests or if you would like vacation rental income. Storage, laundry room and parking are on the forest floor level with the main living area on the floor above, with a beautiful modern style kitchen with gas range and counter top rotisserie oven, and a separate pantry, comfy living room, dining room, master bedroom and bath with two access doors and an indoor, outdoor shower giving you the feel of a rainforest shower! This level also features a full home length balcony overlooking your private salt water pool and outdoor rancho BBQ entertainment kitchen with gas griddle, refrigerator, sink and dining bar, all accented with bold custom dia de los muertos talavera tile from Mexico.
