Property Description

This concrete block and very modern home is located in the Pedregoso section of Perez Zeledon, just minutes northwest of downtown San Isidro de El General. The home features a master bedroom with en-suite bathroom and two guest bedrooms with a shared bathroom. The kitchen has granite countertops and a breakfast area. There is also a separate ample dining room. There is a covered patio overlooking the backyard with a barbecue area and a two-car carport. Financing through Scotiabank via a conventional mortgage is available to qualified buyers. San Isidro de El General is the second-largest city outside of the GAM of the central valley (the area that includes San Jose, Alajuela, Heredia, and Cartago). Here you can find anything you need, including great public and private medical care and even a mall with cinema!. San Isidro has the largest farmer's market in the region. Expats at the beach find it necessary to make frequent trips to San Isidro for provisions or services they cannot find at the beach.
