Property Description

Welcome to Cinco Ventanas, land of peace, privacy and harmony, just 15 minutes from Uvita, take a picturesque route through a very well maintained gravel road until you reach this Beautiful property, you will notice how private it is and how surrounded by lush jungle that will give you that environment you were looking for. You and your family will never regret it. With at least three areas to build on and an area of forest you can maintain as a small natural forest reserve, you will be able to take full advantage of this great deal and create your dream home or compound. Access is easy and not steep, being at a low elevation above sea level, but with beautiful topography full of flora and fauna. Surrounded by public streets in more than half of its border line and with easy access to water, electricity and internet service, you can start your construction and planning project for your new life in paradise.
