Property Description

This beautiful modern home in Ojochal has an original design that invites you to relax and enjoy the sumptuous nature that envelopes the perimeter of the property. With no neighbors in sight, only beautiful trees and the stunning Ojochal mountains with a peak at the ocean view below. White and bright are in the spotlight in this two-bedroom house, ensuring a splendid contrast with the lush vegetation visible from large bay windows on all sides of the home. The very elegantly appointed living room and kitchen open onto a spacious terrace with comfortable seating arrangements. The outdoor living space overlooks lush vegetation and offers a magnificent view of the mountains, which becomes even more embellished with each sunset. The terrace leads to a very pleasant size pool (4x3,5m) that is ideal for children (the owners have installed a deck that rolls over the pool to completely cover it, which in addition to providing safety, enlarges the space of the terrace (83 m2 in total), entirely secured by a barrier).
