Property Description

Casa Ohana is a recently constructed, uniquely designed residence featuring three bedrooms and two and a half bathrooms. The architectural style and interior finishes seamlessly blend modern aesthetics with a genuine coastal-inspired ambiance. The house is thoughtfully designed with a single-story, open-concept layout, where the kitchen, dining area, and living room flow together, creating an ideal space for hosting gatherings. Meanwhile, the three bedrooms are situated in a private section of the house. The house's design showcases a tasteful combination of materials, including stone, hardwoods, and Pella windows, resulting in an elegant yet low-maintenance appearance. Notably, the property also boasts distinctive outdoor tropical showers. Hacienda Pinilla is situated less than 15 minutes from the bustling neighboring beach town of Tamarindo, which gives it close access to the latter's variety of restaurants, coffee shops, surf breaks, banks and other amenities, while still being a world apart in terms of atmosphere.
