Property Description

Project Overview The community comprises 10 cozy houses, 2 impressive towers with 78 apartments, and seven luxurious penthouses, a significant addition to Jacó's urban development, ensuring residents a complete lifestyle in harmony with nature. Situated in a prime location with easy access, this project boasts an architecturally harmonious design, creating a perfect balance between forest and sea for a serene lifestyle. The goal is to foster a strong connection between people and nature, building a community where both visitors and residents feel a true sense of belonging, with high security and privacy. Residents can enjoy various common areas surrounded by lush gardens and trees, including swimming pools, a children's area, entertainment zone, gym, co-working space, ample parking, a clubhouse, green spaces, a pet park, trails, yoga space, bicycle parking, playground, high-speed internet, and BBQ areas.
